

Hi Phil,

It was great speaking with you on Tuesday. Based on our conversation, we have put together this custom proposal for Nike's upcoming website overhaul. We are incredibly excited to partner with you on this.

## 1. Project Overview

We are thrilled to present this proposal for **Nike Website Overhaul**.

Our team will handle full UI/UX design, custom frontend development in React, and backend integration with your existing inventory systems. We anticipate a 12-week timeline.

## 2. Investment & Milestones

| Milestone Description        | Cost     |
|------------------------------|----------|
| Discovery & UI/UX Wireframes | \$5,000  |
| Frontend React Development   | \$10,000 |
| Backend API Integration      | \$7,500  |
| Testing, QA & Launch         | \$2,500  |

Total Estimated Investment: **\$25,000**

**Standard Terms:** This proposal is valid for 30 days. Work begins upon signing of the official contract and receipt of the first milestone deposit.
